

SRB Summer STEAM Class

This summer, SRB is having it's Summer STEAM & Fun Class. *Edible STEAM is back - check it out!*

We have three sessions again this year. The first week, we are hosting STEAM class in the morning (session 1) and then Edible STEAM class in the afternoon (session 2). The second week, we will have one session of STEAM class (session 3) in the morning. Week 2 will have a completely different topic as week 1.

During STEAM class, your children will explore science, technology, engineering, art, and math through fun and highly educational hands-on activities. In addition, they will also rotate daily through organized sports and craft activities. During Edible STEAM class, they will test their taste buds, using chemistry & math, creating yummy recipes. Students will walk away with their own recipe book at the end of the week.

You may choose to participate in one session , two sessions or all. Space is limited, so early registration is recommended.

Registration Deadline is May 20th. Send in one registration form per student along with payment.

See more details below. Any questions, contact Mrs. Schroeder at dschroeder@srb-chicago.org or Mrs. Levin at rlevin@srb-chicago.org.

WHO

all incoming SRB K-8th grade students welcome

WHERE

SRB Campus
