Cell Phone & Smart Watch Permission/Acknowledgement Form

Any student who brings a cell phone or smart watch to school must have a Cell Phone & Smart Watch Permission/Acknowledgement form completed and turned in to the school office. Any student who brings in a device and does not have a permission form on hand will have to have their parent come pick up their device from the school office.

If your student does not bring a cell phone or smart watch to school, you do not need to complete this form. However, should that change, please let the Main Office know, and we will add them to the list.

As a reminder, all students who bring their phones or smart watches to school must turn their device in to their homeroom teacher, when they arrive.

We highly encourage students to not bring any of these devices to school at all. We understand that in some cases that may not work for your family.

One form per student needs to be turned in. Additional copies are available in the school office.
